ADDITIONAL SAFETY GUIDELINES: The safety and well-being of our players is our priority. While tennis naturally allows for social distancing, we will be following additional safety guidelines which allow tennis to be played safely and effectively. Please review the following information and contact us if you have any questions.

- Camp will only be 6 weeks - School starts earlier in the fall, so the last three weeks of camp have been eliminated.
- Rain Make-Up week is July 27-30th if we are unable to play inside the PHTH due to rain.
- There will be a 10-minute gap between groups - First group ends at 10:55am and second group starts at 11:05am.
- Drills and games will be tailored to keep 6 feet between players.
- Players and their gear will be spread out to maintain social distancing during water breaks.
- No sharing of rackets, towels, water bottles, etc.
- Limited use of hoppers and touching the balls.
- Hand sanitizer and cleaning supplies will be provided.
- Players should not congregate before, during, or after group.
- PLEASE keep your child home if they are not feeling well or show any symptoms of COVID-19.

We have missed our tennis family and look forward to Camp. Thank you!
