

2020-2021 Season Opening

September 14-October 31 (7 Weeks)

Classes will be held outside on the Sanborn courts as indoor tennis is not currently allowed. If indoor play becomes available during our 7-week opening session, classes will still be held outdoors unless there is inclement weather.

Players must commit to all 7 weeks. Players may choose to attend 1, 2, 3, or 4 days per week at different time slots each of those days. For example, a High School player could attend class on Monday 12-2pm and Thursday 4-6pm.

With permission from instructors, players may do make ups on days they are not registered.

Inclement weather: Classes will be considered complete if at least $\frac{3}{4}$ of the time slot has been finished.
